

# GREEN NETIQUETTE

GNet's main objective is to promote the use of an environmental-conscious netiquette as a transversal skill and competence (as outlined by the ESCO classification) and to raise awareness and promote good practices for an environmentally and people friendly use of digital technologies.

## OBJECTIVES

- to identify, highlight, and promote good practices for an environmentally and people friendly use of digital technologies;
- to stimulate debate on the topic of a 'Green Netiquette' among EU youth and youth workers, respectively;
- to contribute to the European Year of Youth 2022 by encouraging youth and youth workers to build a better future – greener, more inclusive and digital;
- to increase quality and appropriateness of youth work by training youth workers on the topic of environmentally and people friendly use of digital technologies.

## ACTIVITIES

- Management and Quality Assurance
- Training of Moderators
- Public debates on digital platform
- Booklet on best practices
- Dissemination Strategy and Final Conference

## RESULTS
