

# UPSENIOR

“Increasing the Financial Literacy Skills of Senior Citizens - UpSenior” aims to strengthen the financial literacy skills of senior citizens in the age category of 55+. During the project's activities the senior citizens will gain knowledge and practical skills for financial documentation, boost their self-confidence through financial education, get familiarized with the various fees and the national charges. This is considered to ensure their financial security and protect them from the financial threats within the modern financial world.

## OBJECTIVES

- Improving the availability of high quality learning opportunities for adults
- Creating upskilling pathways, improving accessibility and increasing take-up of adult education

## ACTIVITIES

- Competences Framework for developing senior citizens' financial literacy skills
- Assessment Tool Development of UpSenior training material
- Pilot testing of the training materials
- Dissemination & Exploitation Activities

## RESULTS

- Database of competences framework for increasing the senior citizens' financial literacy skills
- UpSenior training material for the fundamental financial skills
- Pilot testing which results will serve as benchmarking tool for any interested organisations
- UpSenior project website with visually enriched interactive content on the topic

## PARTNERS

- The Hive (Coordinator - GR)
